Reviews from the National Book Awards 1983 Anna Clark writes: I got my copy of Alice Walker's Purple is to refresh my memory for this review. Literary discussions inspired by the novel often degenerate into screaming matches, divided along gender lines. Reading the novel, you don't just see Celie change; you feel it in the rhythm and rhythm of her words. As it evolves over the forty years that the novel takes place, so do its letters evolve into blurred observation and authority. Through this journey Walker demystifies love as disease and redefines it as health. Support Your Local Library The volume is divided into five sections ranging from a night of loss to a morning of hope. Such liveliness and variety of characters relieves the burning of what might have been a claustrophobic seriousness in the novel. Marge Piercy, Washington Post Please Support Your Local Bookstore Page 4 Walker's third collection of poems takes its title from his mother's farewell words to his father at his funeral. I found myself swallowing everything, reading it from top to bottom in one day, and not only remembering why I liked the book, but loving it all over again. Alice Walker traces the umbilical thread that binds the writers through history "from the discovery of Zora Neale Hurston and her collections of black folklore, to the works of Jean Toomer, Buchi Emecheta and Flannery O'Connor ... But it is through the discomfort and call of Celie's voice and the surrounding cast that we are The purple color concerns the search for joy. I have a friend who calls me "Celie" after heroin but not outside the masterpiece of Alice Walker's "The Purple Heart" by Alice Adams, San Francisco Examiner & Chronicle  
The are stories of a woman who has under his control as a writer a wide range of materials, from the vines of the ordinary poor to the lives of artists and academics, from political organizers to Well-heeled businessmen, and who can enter their experiences with sympathy but without sentimentalism. Sentimentality.
